SPAC Update from Arianna

- Field trips – going to try to give each class in each grade two options for field trips of equal value throughout the district
- Recycling – kids want to recycle on campus, going to try to have Recology come do a presentation, teach upper grades how to do recycling
- Transitional Kindergarten – maybe extending the cutoff to February 2nd (currently December), will be having a meeting with Hilary and TK teachers to discuss options and funding, possibly opening up to all 4 turning 5 kids regardless of birth date

Treasurer Update

- Got in a few checks of about \$1000
- See's fundraiser will be bringing in \$1500

- Gaga pit latch was stolen, Boosters will vote on covering replacement, will be put off until January because company is busy, doesn't prevent kids from using it, just requires an adult to hold closed, all bolts are now glued in with Loctite
