

Garden Club at Binkley

Come one, come all! Binkley is starting garden club that will be held on campus for the third year. The Club will meet on **Tuesdays after school and run until 4:00pm in the Binkley Garden. We encourage parents and siblings to come along and please be sure to bring water and old clothing!**

Students must turn in a signed permission slip in order to participate in the summer Club. The club is free to all students wanting to participate, however we do accept donations. All donations go directly back into the Binkley garden to purchase plants and materials needed to make our club and garden successful. Siblings that are entering kindergarten in the fall may participate in the club but must fill out a separate permission slip. Siblings younger than this age will need to be accompanied by an adult.

Students are expected to:

- Report to the Binkley garden on Tuesday after school starting on August 29 and remain with club supervisors until they get picked up.
- Show responsible behavior and participate in club activities. If your child is not actively participating in the club we may ask you to attend with them.

-----Please Complete And Return to office -----

I give _____ to stay work in the Binkley Garden.
(student name)

After meetings, he/she will be picked up at or before 4:00pm by_____.

In an emergency, I can be reached at _____ and by email at:
