

Binkley Boosters Board Meeting 10/15/19

In attendance Gigi, Amy, Alison and Daniela

Call to order 6:08pm

-Approve minutes from last meeting – voted to approve!

-RAT – Gigi mentioned that there are prizes in the office that we aren't sure what they are for. All of the prizes for the winners of the RAT have been handed out. The RAT Shop prizes are coming in this next week. Mrs. Martens class will be receiving the pizza party and she is getting back to Alison with the best date for that. Alison will request the pizza and the turnaround for the request is a week. Alison recommends that next year the Boosters investigate doing a different fundraiser at the beginning of the school year.

-Treasurers Update – we will have about \$15K in the bank after the RAT check comes through. We may have to revise the amount we donate to the school this year as we are not making as much money.

-Corporate sponsorships – We need to create a group of parents that want to reach out to local businesses for sponsorships and prizes.

-Haunted House

1. Gigi raised the price on general admission for the Haunted House but structured it so that larger families are able to pay less per child.
2. Set up was scheduled for Tuesday but Gigi will be switching the date and alerting parents who have volunteered.
3. 5th and 6th graders will be helping run the carnival games. Last year they had a hard time getting the kids to return for the second shift, this year we will look into giving them something as a reward for working both shifts.
4. Safeway – **Gigi** has been going to local Safeways to get \$25 gift cards donated to the Boosters and then she uses them for candy. **Alison** will go to Safeway on St. Francis to get a gift card and will buy candy.
5. Gigi has made several Facebook posts and has flyers prepared. She is getting signage ready to hang all over the school.
6. Cindy will be running the door and is going to be making the sensory buckets.
7. Carnival – 8 game stations and you get a punch card to get punched at each station and then you turn it in and get a prize. Gigi is buying a big hoops station that we can use at Field Day too.
8. Gigi is thinking about doing pre-sales of the tickets/wrist bands after school on Friday.
9. Taco truck is potentially coming to the event.
10. **Gigi** – will check in with Amy to see if she can provide the lights again.
11. **Alison** – will check in with the other Boosters to see which Boosters can attend and help out at the event.

-Holiday Party – the committee is still working on this and has no updates at this time

-Movie Night in the gym in November on the 15th

1. Let's do a check in on Facebook and then giveaway free popcorn so we can get an idea of how many people will attend.
2. Let's make it a pajama party too
3. Can we watch Nightmare Before Christmas?

-Spring Fundraiser – Amy had the idea of doing a Pancake Breakfast. Clover Stornetta will donate a lot of product, we can keep our costs really low. We need to come up with something that is both a fundraiser and an event. Would the pancake breakfast be a good event for a fundraiser to culminate in?

-Multicultural Night – Let's schedule it for March 27th 6-8

-Food at meetings – we should reduce the amount of food we have at meetings to save money. For Boosters meetings, if we want food let's bring little snicky snacks on our own and do it pot luck style.

-Parents Night Out – **Gigi** will work on this! It was fun last year and we will try it again this year.

-Dine and Donates – **Alison and Daniela** are working on this.

Meeting ended at 7:15pm
