Boosters General Meeting

In attendance – Gigi, Jaima, Daniela, Amy, Marisela, Kandice

Call meeting to order at 6:09

-Presentation from Bubba in 5th grade. Has a fundraiser idea. Sell raffle tickets for \$15 per ticket. Even if the students each only sell one ticket the school will get \$6000! We need to get a really great prize like Disneyland tickets or an iPhone.

-**Jaima** fundraising idea – box of greeting card sets the kits are from Usborne. It takes 10-14 weeks to run the fundraiser. Simple set of options to sell. We get \$13 per box sold and there is a minimum order of 15 box sets. We can get samples of the cards from the Usborne rep in Windsor.

-Maybe we can fundraise with the cards and buy a large prize for the raffle item and then do a large ticket item raffle in spring. Perhaps the fifth grade can vote on the prize going forward.

-Holiday Party

- Bobcat Boutique – **Marisela** will go through the shed to see what we already have and then supplement. She would like to advertise for parents to donate craft items that we could sell at the Boutique. Because this will be at the holiday party and adults will be able to buy some of these nicer items as well. Budget of \$100 for the items for sale.
- Cake walk – can we get cakes donated from local grocery stores to supplement? **Marisela** will ask Olivers for a donation
- Raffle – small items like board games, succulent arrangements and cookies did really well!
- Bake Sale
- Santa – should we buy a suit?
- Cash handling – We will need one Booster in the library with one cash box and one in the gym with the other cash box. We will sell raffle tickets at the door and all items can be purchased with raffle tickets.
- We will make the event free to attend with a free craft like a card or a letter to Santa.
- Wine Pull?
- The Holiday Party Committee will plan a meet up!

-Haunted House Recap

- We were given \$120 from the food truck from the Halloween Party!

-Movie Night

- November 15th – **Gigi** will create a Facebook event and ask people to commit to going in advance and they will get a free popcorn for going.
- **Daniela** will put up the flyer that **Gigi** makes and will put them up all over the school
- Can **Marisela** set up and pick up the popcorn?
- **Amy** will do the Costco snack run and **Gigi** will look in the shed to see what we have

-Costco – can we get an executive card for the Boosters?

-The district will be requiring us to pay \$400 for each outdoor movie going forward. From now on we will need to rethink the Welcome Back Party. Perhaps we should do a really big dance party with glow sticks instead!

-Dine and Donates setup for Chipotle in December, Tomatina in February. **Daniela** will be working on scheduling McDonalds and more for the rest of the year as well as checking in with doing a do-over for the Mary's if it did not do well.

-Jaima makes a motion to add Kandice Rose to the Board in the Events Department, Gigi seconds – voted Aye! Kandice.r.rose@gmail.com

-Winter Concert Fundraiser December 10th we can join in on the Madrone fundraiser and sell roses at this event. **Daniela** can check with Sequoia Floral about rose pricing. Safeway has 12 for \$10. We will need to assemble the roses and we can take pre-orders and then bring them to the concert. Concert is at 5:45. **Daniela and Amy** can take a shift to sell and give out the roses.

-Valentine's Day Dance and Dinner Idea– family dance and fundraiser. Gigi is getting quotes for food. We can sell tickets ahead of time to get an accurate head count.

-**Gigi** will set up an adult Paint Night perhaps for February or March.

-See's will launch this month!

Meeting adjourned 7:27pm
